

Cherry Tree Manor Spring Newsletter 2026

Welcome new residents and family!
Let's embrace the sunshine and fresh beginnings
that Spring brings to our community!

Special Events

Cherry Tree has celebrated some calendar traditions Chinese New Year , pancake day, St Patrick's day 🍀 and March appeared to be a very special birthday month for some residents ! Who enjoyed a combined birthday afternoon celebration 🎉 with music singalong and cake 🍰 everyone seemed to be enjoying their own special day.

Entertainment

Our regular entertainment continues each month and have welcomed Malcolm McCarthy , Bethan Scanes who is one of our popular entertainers who sang some wonderful songs from the Stage Musicals. Residents are encouraged in audience participation. Monthly Events Programme is displayed by the dining room.

Residents' Voice

The home encourages residents to attend the regular residents meetings which was held recently, this offers them the chance to offer input into daily menus , and the homes environment and surroundings and daily life.
The home continues to offer the Garden Visiting Room for family and friends when they visit their relative tea and coffee provided .

Faith & Worship

We welcome the local parish churches into the home to offer spiritual needs, St Barnabas for regular monthly visits and also St Mary and Joseph and Our Lady of Creation who provide Holy Communion also to residents who request their service .

Theme Days

Mothers Day , and Easter bank holiday have had an early appearance this year lovely to see friends and family visiting the home. Residents who chose to be creative had made Easter Cards and Crafts assisting with the decoration of the home and decorating the Easter Simnel Cake. St George's Day, entertainment with Aimi P.
We must say a huge Thankyou to Nuffield Health and Fitness and their members who donated Easter Eggs for all our residents !

Afternoon of Support

An afternoon had been arranged with Rennie Grove, refreshments were available to family and friends who chose to attend and we do hope this was a meaningful support to many families or friends on this sensitive subject.

New Life in the Garden

We have recently replaced the Koi Carp due to some health issues with some of the fish. We now have some shrubs planted for residents to enjoy. Some green fingers residents have planted sunflowers and herbs. Residents are encouraged daily to partake in various activities if they wish and we hope you enjoy all our photographs we have taken over the recent months.

HAPPY 30TH BIRTHDAY

This month celebrates Cherry Tree Manor 30TH Year anniversary. We hope our residents enjoyed their weeks special lunch, afternoon tea and entertainment.

CONGRATULATIONS
30 YEARS
CHERRY TREE MANOR
